

## Version 2021.1.3

Updated: 5/7/2021

### RELEASE NOTES:

#### Summary

DF Studio is currently rolling out its latest software release to all accounts. This update resolves some important issues regarding uploading files, and includes additional performance enhancements as well. As always, please reach out to DF Studio's support team with any feedback or questions.

#### Bug Fixes

##### Uploads & Assignments

- Resolved a configuration issue which prevented uploading files when signed in as an Upload User.
- Fixed an issue which failed to report errors when attempting to upload a missing or empty file.
- Improved error messaging around different types of upload failure that may occur.
