Version 2021.2.2

Updated: 9/2/2021

RELEASE NOTES:

Summary

DF Studio is pleased to announce its latest software release, now being deployed to all accounts. This update addresses a few minor bugs and improves the reliability of searching within Projects and Collections. As always, please reach out to DF Studio's support team with any feedback or questions about this update.

Bug Fixes

Messengers
- Corrected a bug which caused problems using the PDF Viewer on assets in a Mobile Messenger.
- Fixed an issue which displayed errors in a Messenger when an asset from the Messenger had been deleted from the DF Studio account.

Account Management
- Resolved an issue which caused an error when billing stored credit cards.

File Management & Organization
- Addressed an issue which caused errors in the Asset Inspector History tab under certain conditions.
- Resolved a problem which caused the "quick search" field to omit certain results when searching within a Project or Collection.
