

Version 2021.2.3

Updated: 9/28/2021

RELEASE NOTES:

Summary

DF Studio proudly announces its latest software release, which is now being deployed to all accounts. This update addresses a few minor bugs and improves the performance of the DF Studio experience. As always, please reach out to DF Studio's support team with any feedback or questions about this update.

Enhancements

Messengers

- Clarified the process of retrieving a Messenger PIN for Messengers that require one.

Metadata

- Improved DF Studio's ability to offer custom configurations when writing metadata to original files.

Bug Fixes

File Management & Organization

- Addressed an issue which could cause unexpected results when browsing Projects and Collections in proofsheets view while assets are being modified by another user.
