

Version 2022.1

Updated: 1/24/2022

RELEASE NOTES:

Summary

DF Studio is pleased to announce its latest software release, now being deployed to all accounts. This release enables the migration of assets and account information between DF Studio accounts. As always, please reach out to DF Studio's support team with any feedback or questions about this update.

Enhancements

- Internal tools and functionality to enable DF Studio Support to assist customers with high-volume migration of asset files and account data.
