

DF Studio Downloader Version 1.6.4

Updated: 5/6/2022

RELEASE NOTES:

Summary

A new version of the DFS Downloader app is now available, including performance improvements and bug fixes. As always, please reach out to DF Studio's support team with any feedback or questions.

Bug Fixes

- Addressed an issue which caused failures downloading files or folders to a Windows system with a colon (:) in their name.
- Resolved a bug which would cause the destination download directory to be created, even if the download operation were canceled.
- Corrected an issue which could cause multiple DFS Downloader windows to open when launching the application.
